Subject: NJDEP comments for Feb 28

Mark Pedersen has left a couple of messages with John P to express concern that DEP will not be able to provide comments by Friday because they cannot get on their commissioner's calendar this week.

I told John that we'd give the state until Feb 21 to submit comments. I couldn't remember the due date we offered the CAG, but we may want to give them a similar date, if Feb 21 is later. Sorry for making that call, but as long as CSTAG has the comments before the meeting, I think we'll be ok. We can let Karl know that these comments will be submitted late.

Any questions, please let me know. Thanks.
